

Office Memorandum • UNITED STATES GOVERNMENT

TO : Mr. James Cooley

DATE: 11 September 59

FROM : Chester L. Cooper

SUBJECT: Cyprus Estimate

Attached is a copy of a letter from Gordon Gray to the DDI. You will note certain pencilled comments which I think will be of interest to you. The NE staff has prepared a draft of the Cyprus paper for the panel to look at early in the week. We have definitely scheduled this paper for the 6th of October.

I guess we have had it!

MEMORANDUM FOR: Mr. Robert Amory

I have become a little concerned about the length
of time it has taken for us to get started on a paper on
Cyprus. What is your best guess now as to the availability
of the estimate?
